The cost of registration for club basketball grades 3-8 covers a \$35 uniform top and shorts, gym space/custodial fees, referee payments and tournament entry fees.

Why did the cost increase from last season?

The cost increase primarily covers the uniform requirement. The good news is that in subsequent years, the jersey cost will not be required, unless your athlete requires a new jersey due to size, wear & tear or a lost jersey.

Does the Club "Make money"?

No one on the club board receives payment for any volunteer service. Monies raised

from fundraising and advertising is used to support basketball activities for the club and high school basketball teams.

What is expected of parents of basketball players?

SUPPORT. Parents are asked to volunteer for concession stand shifts, to organize travel as needed, and to support club activities through volunteerism and team-work.
